

Rule 4

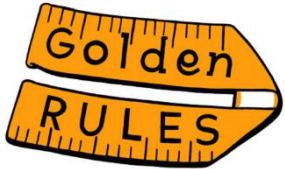

Even more silent letters

This is our final week on silent letters...we promise you won't hear from them again!

Other shy letters that are seen and not heard are d, l, p and u.

The Golden Rules:

- L- usually comes before the letter f or k - e.g. - talk, walk, calf, half.
- U - always comes after the letter g - e.g. - guide, guitar, tongue.
- P - always comes before the letter s or t - e.g. - receipt, psychology.

Exceptions:

- Salmon
- Raspberry, Pneumonia
