

Rule 7

Words that end in the suffix 'ible'
When do I use 'ible' instead of 'able'?

The Golden Rules:

- If the stem is not a word, then it is followed by 'ible'
- 'Imposs' is not a word, so it is spelled 'impossible'
- 'Terr' is not a word, so it is spelled 'terrible'

Exceptions:

- Flexible, resistible, responsible, destructible, collectible, sensible.
